

# NPC "Saints"

*LEST WE FORGET*

Over the last several months, Diana Alverson and Ginny Chiostergi have worked tirelessly researching NPC's historical data and archives in an effort to identify those "Saints" who contributed so much to the "Life of the Newnan Presbyterian Church" before going home to be with our Lord.

While we have identified the achievements of many of these "Saints," there is a small list of "Saints" about whom we are still trying to secure more information related to their activities at NPC. If you have any information or know anyone who might have information related to these individuals, please pass this information on to Ginny Chiostergi. Ginny can be reached via email at [chiostergi@att.net](mailto:chiostergi@att.net), or via home phone 770 253 6013, or cell phone 404 353 1099.
